Sixty-seventh session
Agenda item 17

Resolution adopted by the General Assembly on 4 September 2013

[without reference to a Main Committee (A/67/L.78 and Add.1)]

67/298. Developing cooperation for better connectivity and telecommunications transit routes in the Trans-Eurasian region

The General Assembly,

Recalling its resolutions [64/186](#) of 21 December 2009 and [67/194](#) of 21 December 2012,

1. *Emphasizes* the importance of improving connectivity and telecommunications transit routes in the Trans-Eurasian region, and in this regard takes note of the proposal on the establishment of the Eurasian Connectivity Alliance aimed at highlighting synergies among Governments, the private sector, civil society, academia and international development institutions towards improving the development of regional telecommunications transit routes;

2. *Invites*, in this regard, Governments, the United Nations system and international development institutions, within their current mandates and core competencies, and within existing resources, as well as the private sector, civil society and academia, to engage in relevant discussions on the proposed Eurasian Connectivity Alliance.

*98th plenary meeting
4 September 2013*
